Jim –

Please see the attached ALPR Flock Data Sharing Agreement. It's the preference of our City Attorney that both your Chief and City Attorney review and sign, however, per our conversation, if your City Attorney is not involved in your process, please let me know, and I'll remove that signature line from the document.

Once you send me a signed copy, I'll route it for signatures on my end, then send you a counter signed copy. We will then flip to switch to begin sharing.

If you have an questions, please let me know.

Best regards,

Dan
